SENATOR WARNER: Mr. President what I would offer to do is in order to expedite at this point if we can is to strike in the bill Mr. Clerk if you would write them down, Sections 17, 18, 19, 20....

CLERK: Now when you say section are you referring to the paragraph sections in your amendment?

SENATOR WARNER: No sir, I am talking about the sections in the in a...a...the original bill.

CLERK: Oh, OK, to strike those out of the bill entirely?

SENATOR WARNER: Yes, 17, 18, 19, 20, 21, 22, 23, and 26. The remaining sections 27, 28, 29, 30, 24 and 25 would remain and these are not, I'm sure not controversial. The ones that I am striking pertains to the limitations of individual contributions and it pertains to the contribution by a lobbyist and it pertains to whether or not you have a contract with the state, whether you can contribute. It pertains to whether or not you can haul people to the polls and one or two other similar items. The other part of the bill is important to have been done at this time, and while I strongly support the one that I am recommending to strike, in view of the time, I would be willing to do that.

PRESIDENT: Is there any further discussion of Senator Warner motion which would strike those sections, 17, 18, 19, 20, 21, 22, 23, and 26. Is that the limit of them Senator Warner?

SENATOR WARNER: Yes.

PRESIDENT: All those in favor of striking those sections say aye, those opposed say no. So ordered. Now, Senator Warner back to you.

SENATOR WARNER: Mr. President, I would move the bill be advanced as amended unless we....we have not adopted the amendments, we adopted them through 16.

CLERK: You adopted through paragraph 18 of your amendments but you have paragraphs 19-24.

SENATOR WARNER: When I look through, I don't believe that there are any of those amendments in those that they all amended sections which I have already stricken so we don't need those.

CLERK: OK.

PRESIDENT: It is the Chair's understanding that 17, 18, and 19 were struck.

SENATOR WARNER: Well....in other words the section of laws Mr. President, not the....

PRESIDENT: OK

CLERK: Read

PRESIDENT: Senator Fellman

SENATOR FELLMAN: Mr. President, members of the body, my amendment merely limits the amount of money that can be spent in the 1974 General Election for the race of Governor and Lt. Governor to a hundred thousand dollars. I move that the...would suggest that this amendment be passed. It is a reasonable amount in
